

Online ADN-RN to Bachelor of Science in Nursing (BSN) Bridge

32 Credit Hours | 12 Month Program

North Florida College's online ADN-RN to Bachelor of Science in Nursing bridge program provides registered nurses a flexible format to complete a bachelor's degree and expand career options. The program is offered all online and can be completed in as little as one year of full-time study. Part-time study options may also be available.

This is a limited access program.
Applications are accepted twice each year:

- April 1-July 1 (Fall/August Start)
- July 1-October 1 (Spring/January Start)

EXPAND YOUR NURSING CAREER: This program is designed specifically for RNs who have completed an AS Degree in Nursing and desire to enhance their credentials with a baccalaureate degree. The curriculum incorporates critical thinking and evidence-based scholarship to prepare nurses for system leadership with quality and safety as priorities. Also promotes use technology in delivering professional nursing practice and management of health information to prevent illness and promote health among diverse patient populations and communities.

PROGRAM REQUIREMENTS

- Completed ADN-RN to BSN Application.
- Current, unencumbered Registered Nursing License from the State of Florida or Multi-state Nurse Licensure Compact (eNLC).
- Associate in Science in Nursing degree from an institution accredited by an agency approved by the U.S. Department of Education (42 credit hours).
- Successful completion of prerequisite courses and requirements.
- No more than two (2) failures on any general education or lower division NUR course. Students must achieve a "C" or higher in all general education and lower division NUR courses.

See college catalog or NFC advisor for complete program and admission requirements.
