New Scholarship Endowment – 2025

A newly endowed scholarship has been established with the Foundation for NFC students from all counties. The *Gene and Geraldine Stokes Family Endowment* received \$25,000 with the intent to award scholarships to at least two students per academic year. Mr. Gene Stokes is a Class of 1959 Alum and taught at NFJC for four years in the 1960's. He continued his long career in education in the public school system in several of the counties of our service district.

The Foundation is planning a special Alumni feature with Mr. Stokes to hear more about his story and the importance he finds with “giving back” through this scholarship endowment.
